Comments & Feedback

The following notes and comments were recorded by project staff based on conversations with individual business owners:

- 3rd Street intersection would benefit from bump outs. Many students use it as part of their route to the school.
- Business Owner would like to see bump outs at 3rd St SE and is in favor of upgrading 4th and 6th.
- Minnesota/Franklin intersection has a building replacement scheduled for 2016.
 - Studio E Redevelopment Project (NE quadrant)
- On the TH28 eastbound stop condition causes traffic to exit at 4th and bypass the stop sign.
- Many vehicles take a right on 4th Street, then a left on Minnesota to TH28 to bypass the stop sign on TH 28
- Over half of the 4 miles of sidewalk will be replaced to meet ADA requirements
- Chamber of Commerce can link with the MnDOT project website
- Agriculture Society should be contacted to discuss changes to 4th Street alignment through the fairgrounds
- TAP funding project elements will be designed by the City and incorporated into the MnDOT Plan.
